

BARBADOS

<http://www.operationworld.org/barb>

Barbados is in the Atlantic, east of the Caribbean. It is close to Venezuela.

The population of 277,821 is mostly of African descent. Barbados has a well-developed [mixed economy](#), and a moderately high [standard of living](#).

The largest religion is Christian, which represents 94% of the people. 34% of the population is evangelical.

Prayer challenges:

Slavery has long been an issue and it needs to be eradicated. Young people desperately need spiritual guidance. The culture of immorality is pervasive, with illegitimate births and cohabitation being widespread.
